We Honor

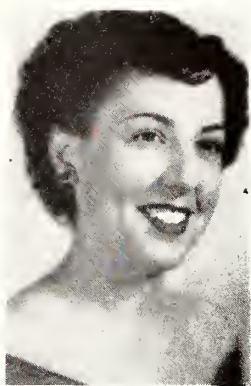

Potomac State College became known around the world when students and members of the faculty exchanged mufti for uniforms to serve their country during World War II. Those on the home front and those at the battle front worked in a united effort that the holocaust might be extinguished.

The 1957 CATAMOUNT is reverently dedicated to the Potomac State's honored dead, the forty men and one woman who gave their lives for the cause of freedom during World War II.

By fairy hands their knell is rung,
By forms unseen their dirge is sung;
—"Ode," William Collins

There's a school in old Virginia, And her praises we will sing, Potomac State, Potomac State, Where we
top fresh our classes and do other mighty things, Potomac State, Potomac State, We've
had set backs and hardships and have met them all with poise, through our work and study we have
had to walk our step, We've depended on our "Pony" to protect and guard our step, Potomac
State, Potomac State, Potomac State, Potomac State, We'll never forget Potomac State, Where in
fair and stormy weather we attended school together, No! We'll never forget Potomac State.

Eta Upsilon Gamma was founded at Christian College, Columbia, Missouri, in 1901, and is the oldest national junior college sorority in the National College Panhellenic. The aims of the sorority are to promote scholarship, to stimulate school spirit, and to enrich and broaden friendship.

In October a Progressive Pirate Rush Party was held. During the year the Gammas cosponsored two dances, the Harvest Swing and the Spring Formal, with their brother fraternity, Theta Sigma Chi.

Mary Ann Leyland was chosen as the Potomac State Campus Cover Girl.

The sorority sponsored bake sales, a card party, a rummage sale, sold Potomac State pennants, and sold hot dogs in Reynolds Hall throughout the year. Canned food was distributed to the needy at Christmas through a local church. The group assisted the Crippled Children's Society at Easter.

The climax of the year was the annual spring banquet held in honor of the departing sophomores and the joint picnic with the Thetas.

Phi Kappa Omega Fraternity holds as its objectives, high scholarship, sound moral character, and cooperation in working for the best interests of its members as individuals, the fraternity as a group, and the betterment of the college.

Active members inaugurated the fall term with a successful pledge party and have been actively engaged in campus activities.

The fraternity proudly points to the election of members of their sister organization, Kappa Delta Psi Sorority, to positions of honor on the campus, namely, Miss Bonnie Tallman, who reigned as "Miss Catamount" at Homecoming; Miss Mary Virginia Selario and Miss Joan Harris, as Sophomore and Freshman Belles respectively; and Miss Larue Frye who was elected secretary-treasurer of next year's sophomore class.

Phi Kappa Omega is likewise proud of its own members who were elected to student honors. Mr. David Satterfield was elected president of the student body and Mr. Nils Johannesen as representative to the Student Council for next year. Mr. Ernest Core was chosen "King Escort" for the May Day festivities.

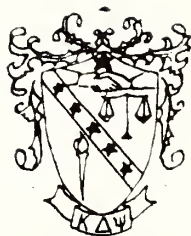

Phi Kappa Omega is proud of the leadership and varied activities exemplified by its members, and in their honor has established two traditional social functions in the annual "Easter Ball" and the spring picnic. Miss Sally Ann Ours and Mr. Ralph Newbanks reigned as Kappa Royalty at the "Easter Ball."

Kappa Delta Psi is the youngest sorority on Potomac State campus, having been officially founded April 26, 1951. Its objectives are to further scholarship, to stimulate school spirit, to promote high moral standards, and to develop a close feeling of friendship among its members and a loyalty to the college which is its founding place.

As a result of an informal "Hobo Party" held during Rush Week at the Blue Jay, twenty-seven girls pledged Kappa.

Following a campus-wide election, Bonnie Tallman reigned as "Miss Catamount XVIII" during the Homecoming festivities in October. Miss Mary Virginia Selario was chosen Sophomore Belle and Miss Joan Harris was chosen Freshman Belle by vote of the student body. Miss Barbara Haines represented the sorority as ROTC Sponsor. Seven sophomores are members of Sigma Phi Omega. The Cheering Squad is composed of four Kappa girls, Lois Ellen Rucker, Jean Thompson, Wilma Shields, and Carole Harper. For the past two years, the sorority has been presented the Dean's Scholastic Citation.

A Christmas Party was held in the Science Hall Assembly Room. Thanksgiving and Easter baskets were contributed to needy families in this area. "Sleepy's Chateau" was chosen for the Center Dance sponsored by the sorority.

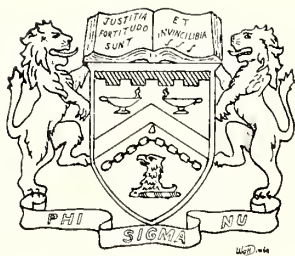

With their brother fraternity, Phi Kappa Omega, the sorority co-sponsored the annual Easter Ball. The Kappa picnic with the brother fraternity is an event eagerly anticipated annually.

Phi Sigma Nu, founded in 1922, and known then as the Kappa Kappa Fraternity, has been one of the most outstanding social groups of Potomac State College.

The pledge party in the Science Building marked the beginning of the year's activities. This year the Fraternity has expanded its social and campus activities in order to extend school spirit.

Miss Jean Cave and Mr. Sylvio Mayolo were crowned Queen and King of Winter at the eighteenth annual Jingle Bell Hop sponsored by the Phi Sigma Nu.

Phi Sigma Nu has for the last twelve years won the Dean's Scholarship Award, given to the Greek-letter organization making the highest total scholastic average as a group. Phi Sigma Nu demands of its members scholastic achievement, college spirit, high moral standing, and an interest in all college activities. A leader in all campus activities, the Fraternity is proud that its members hold many important offices on the campus.

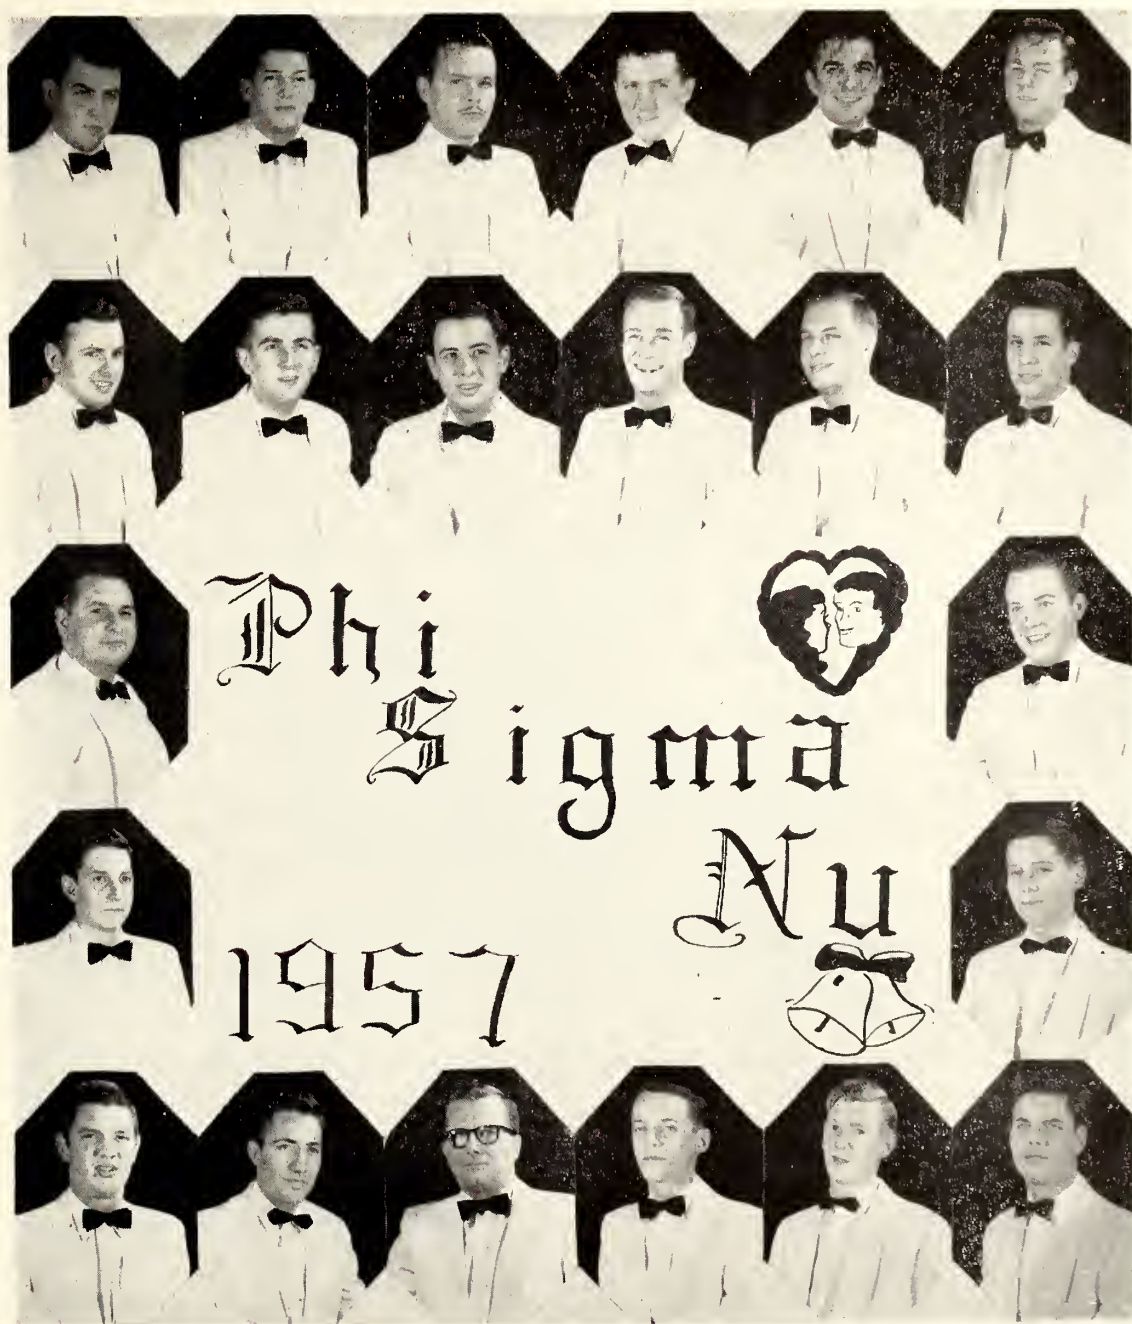

The bonds of friendship established here will be lasting memories in the years to come.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State College. Although it was originally founded in 1903 at the University of the South at Sewanee, Tennessee, as an honor society, it has become the largest social organization. This sorority has become the largest junior college sorority in the United States. Carrying on the spirit and ideals of the first chapter, the group stresses the importance of scholastic achievement and fellowship.

Using the theme of "Green Door," Sigmas welcomed the Freshmen women with a party at the home of Mrs. Ray Coffman. Of the twenty-two pledges received in October, sixteen were initiated in March.

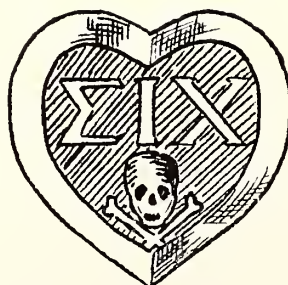

Mrs. Jean (Cave) Berry was crowned Queen of Winter at the Jingle Bell Hop. Miss Joy Wilson was selected "Sigma Sweetheart" at the annual Sigma Sweetheart Ball in February. Miss Margie Guididas was chosen by the faculty to represent Potomac State College as a Princess in the Apple Blossom Festival in Winchester.

Sigma Sorority joined with the brother fraternity, Phi Sigma Nu, for several parties during the year.

Carrying out the program of "Bringing Joy To Others," Sigmas distributed baskets to the needy at Christmas.

Theta Sigma Chi fraternity was founded on the campus of Potomac State College in 1922. In 1947, Theta Sigma Chi was granted a national charter by the National College Panhellenic and was designated as Alpha Chapter. The fraternity promotes scholarship, character, fellowship, school spirit and cooperation.

The fraternity sponsored the annual "Miss Catamount" contest and crowned Miss Bonnie Tallman of Ridgeley, West Virginia, as Miss Catamount XVIII. The Queen's float, sponsored by the fraternity, won the award as the most attractive in the Homecoming Parade. A member, George Podelco, was named as an International Trustee of the Circle K Club. A television set, donated by the Theta Sigma Chi Fraternity, was installed in Memorial Hall. The Spring Formal and the Annual Spring Picnic are co-sponsored by the Theta Sigma Chi Fraternity. Official fraternity pins were purchased.

Student

Council

The governing organization of the student body of Potomac State College is the Student Council, whose major objectives are directing student activities and promoting school spirit.

During Freshman Week, the Council assisted in the orientation program for the incoming students; two weeks later the group helped to organize the Freshman Class, selected freshman rules, and supervised their enforcement through the Kangaroo Court. The Council supervised the selection of cheerleaders, held "thuses," and sold programs for the football games.

On October 13, the Student Council sponsored one of the most gala affairs on the campus, the annual Homecoming Ball, honoring Miss Bonnie Tallman as Miss Catamount XVIII. In May, the Council cooperated with the Physical Education Department in the May Day Fete, which culminated in the May Queen's Ball.

Upon recommendation of the Athletic Department, the Council presented letters and sweaters to athletes. The Council sponsored a Student Center dance in the fall and a campus-wide fund drive in December on behalf of Hungarian relief.

Sigma Phi Omega, the honor society, is a local organization with no national affiliations. It was established in 1923, and through the years it has faithfully endeavored to carry out the ideals for which it was organized—to recognize scholarship and leadership.

Sigma Phi Omega makes a varied contribution to life at Potomac State College. This year it assisted at the annual Faculty-Student Reception, it presented all campus leaders to the new students in an effort to explain to them the ideals and purposes of the organizations on the campus, and before the close of the school year it will review the achievements of the organizations at the annual Recognition Day Convocation. The formal initiation of new members and the banquet in their honor are highlights of the college year.

Members of Sigma Phi Omega take seriously their obligation to uphold scholarship and citizenship and to co-operate with the college at all times.

The Pasquino

The *PASQUINO*, Potomac State student newspaper, completed its thirty-eighth year of publication, May, 1957.

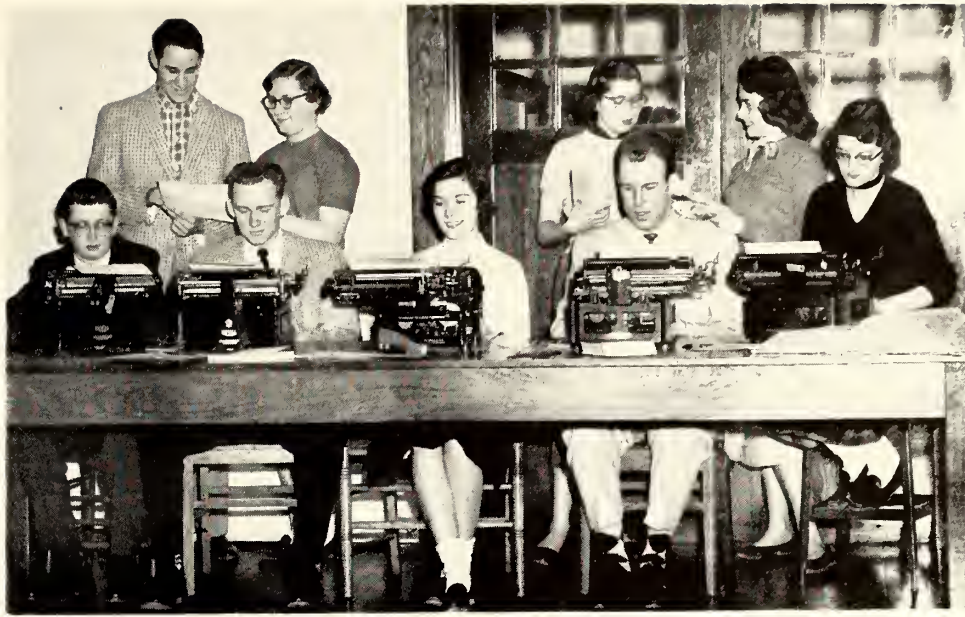

Aside from campus circulation, the *PASQUINO*, is distributed to advertisers and alumni all over the world.

The staff is made up of volunteer workers, as the regular journalism classes are too small too undertake the publication alone. Each year the staff compiles a Student-Faculty directory.

Social highlight of the year is the annual Press Banquet, at which time an outstanding journalist addresses the group.

The *PASQUINO*, which is published fortnightly, is affiliated with the West Virginia Intercollegiate Press Association.

Debaters' Club seeks to develop techniques in debating and understanding of one of the major problems of contemporary American life. This year it is the general area of the foreign aid program.

This year, as usual, the debaters rendered a distinct service to the campus and community in furnishing programs for the Circle K Club, Grace Methodist and Presbyterian Men's Clubs. During the first semester they debated Shepherd College at Shepherdstown and during the second semester participated in the state tournament at Jackson's Mill, West Virginia.

Christian Youth Fellowship

The Christian Youth Fellowship was organized on the Potomac State campus in 1949. This organization strives "to bring Christian youth of Potomac State College into closer contact with the church and to deepen their devotional life through recreation and fellowship." Constructive programs are presented by the various members at the meetings which are held each Sunday evening.

Christian Youth Fellowship co-sponsored Religious Emphasis Week and sponsored the Pre-Easter services. It also participated in several campus social events.

The Newman Club is a national Catholic organization which was brought to Potomac State campus in the spring of 1948. Its purpose is to foster the spiritual, intellectual, and social interests of Catholic students, in this order of importance. This is done to weld them into a common union and to assist their school and its students whenever possible.

The group is a member of the National Newman Club Federation and of the Province Federation of West Virginia. The pastor of the Church of the Assumption, which is located on James Street in Keyser, is the chaplain of the club. Two instructors of Potomac State College serve the organization in an advisory capacity.

At one of the two monthly meetings, a visiting speaker talks to the members in regard to social, political, or religious subjects. Non-members are permitted to attend these meetings, which have for their purpose the constant addition to one's intellectual ability.

In 1952 the Circle K Club of Potomac State College was granted its International Charter No. 33 with the purpose of providing a service club for the college campus and the community of Keyser. The club was granted International Charter No. 6 this year.

The Circle K Club, sponsored by the local Kiwanis Club, is composed of college men of high character and scholastic standing who feel that service is worth while. The club was the first of its kind in West Virginia.

The ideals of the club are to develop leadership and initiative, to encourage useful training in all educational endeavors of the college, to provide experience in living and working together, to promote good fellowship and scholarship, to serve the college, and to give primacy to the human and spiritual rather than to the material values of life.

Some of the major projects completed this year were sponsoring the homecoming parade, presenting an annual talent show, operating the second hand book store, sponsoring a booth in the Kiwanis Ham, Bacon, and Egg Show, and assisting in both the county Cancer and Red Cross Drives and the Labor Survey. George Podelco was elected International Trustee at the International Circle K Convention in Philadelphia, Pennsylvania.

Under the direction of Mr. Leonard G. Withers, the Potomac State Singers completed another successful year of work. During the winter the Singers presented a cantata, *The Christmas Story*, with Frances Hartman, Patricia Nuzum, Nils Johannesen, Arnold Smith, and Gary Swadley as soloists.

In the spring the singers spent several days presenting concerts before various high schools in West Virginia and Maryland. The longest trip of the group was a three day journey to Clarksburg.

The final appearance of the Potomac State Singers was at the graduation and baccalaureate services for the graduates of Potomac State College.

The Engineers' Club of Potomac State College is composed of students participating in the Engineering Orientation program. The purpose of the organization is to acquaint the students with the different fields of engineering. During the fall and winter months films are shown semi-monthly, and prominent engineers from nearby industries are invited to give lectures to the group at monthly meetings held in the auditorium of Science Hall. Informal chats with these practicing engineers take place at the end of the meetings. In the spring field trips are taken to nearby industries to produce a satisfactory sequence to the professional atmosphere surrounding this important phase of a student engineer's college life. Membership is limited to engineering students.

The Medisci was originally organized for students in the different branches of medicine. Later, the scope of the club was broadened to include students in all fields of science as well as those only slightly interested in science. At this time the name Medisci was coined.

The program of the organization included discussions and demonstrations by guest speakers. This year the guest speakers included: Mr. R. E. Whitlach, Mr. J. T. Handlan, Mr. A. K. VanScoy and Mr. W. E. Michael, all members of the faculty.

The members of the organization participated in such special projects as a field trip, clinical techniques that include typing blood, and the selling of packaged pine for Christmas decorations.

The Medisci participated in the meeting and the activities of the West Virginia Collegiate Academy of Science which held its annual state meeting on the campus this year.

The club is open to all girls on campus. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings, and in various other ways. A total of five hundred points entitles one to wear the regulation Potomac State College letter. The club sponsored a campus-wide Girls' Badminton Tournament the second semester. Jean Thompson was singles' champion. Marjorie Guididas and Linda Everhart won in Class B; Adrienne Wertz and Francine Garcia were victors in Class A.
